Momentum: Letting Love Lead

This class teaches techniques for being loving in the moment, no matter what. As much as we might like to have the important areas of our lives all settled and humming along, the reality for most of us is that there is always something out of balance, often causing stress and distress. Rather than resisting or regretting this condition, you can learn from the inherent wisdom in the imbalance and bring loving to it.

Participants: Open to the public

Length: One weekend or 5 weeks

Study Materials: *Momentum: Letting Love Lead* book, by John-Roger and Paul Kaye

Tuition: Varies by venue
